

# Sponsorship & Advertising Opportunities

2023/2024 Season

**“Your Team Our Community”**

# Welcome to Gresley Rovers Football Club

**Thank you for taking the time to read through this seasons new sponsorship opportunities.**

As you know we were hoping to have been starting this new season in a new ground, but, due to the well documented trials and tribulations, it look as if the reality will be another two seasons at the Moat Ground.

We are fully committed to ensuring that the management has the funding so that our playing staff can compete in this league and to do that, your sponsorship is as essential as the fans that come through the gates.

The sponsorship opportunities are aimed at not only our supporters and families but, also local businesses, who are looking to network and grow their opportunities, by taking advantage of our offerings which ensure that they are well advertised within the local communities and drive local people to support local businesses.

Pitch board adverts and match day programme advertising slots are a great way to drive your business and get your names known out there and can help maximise business opportunities.

We look forward to working with you all to ensure you maximise the opportunity of your sponsorship for your business.
